

A Message From Sheriff Keith McBrayer:

After Thursday night's ambush of 12 police officer's in Dallas and as we see our country in great turmoil, the thin blue line seems to keep getting thinner. In regard to the events that have taken place this week, we want to make sure that the justice system fulfills its duty. Please pray for the safety of all of our law enforcement officers and when you see them in public I ask you to thank them. I know these guys; they would give their lives for any of you. Pray for our country and the men and women who protect it.

I would also like to extend, on my own behalf and that of the Henry County Sheriff's Office, heartfelt condolences to the Dallas Police Department, the Dallas Area Transit Police and to the family and friends of the officers killed or injured in the attack. May God help you in this time of sorrow.
